

Global Trade Map 2016

Trade agreements and risks from an EU perspective

In collaboration with software vendor Amber Road, Supply Chain Movement has put together the Global Trade Map 2016 which provides an overview of current EU trade agreements and the potential trade risks.

Creators of the Global Trade Map:

- Free Trade Agreement / Preferential Trade Agreement
- Stabilisation & Association Agreement
- Association Agreement
- Custom Unions
- Negotiating Free Trade Agreement
- Risk
- Economic Partnership Agreement
- Generalised System of Preferences (also 'graduated GSP/GSP+ and EBA)
- Euro Mediterranean Association Agreement
- Negotiating Economic Partnership Agreement
- 1 = Low
2 = Moderate
3 = Considerable
4 = High
