Overview

FUTURE LEADERS PROGRAM (FLP)

Each year INROADS has hundreds of graduating college seniors in multiple majors spanning Business, Liberal Arts and the STEM Majors.

- Most receive offers and go on to convert, which is the goal of INROADS.
- In some cases, a sponsor is unable to make an offer.
- Our goal is to keep our Interns with an INROADS sponsor and/or partner.
- We developed a list - INROADS Future Leaders (FLP).
- FLP Candidate Pool consist of Day 1 ready new hires that have completed the INROADS process.
- FLP has expanded to INROADS Alumni & Fellows Network of all experience levels seeking career opportunities with INROADS Corporate Clients.
